RE: Public Records Request dated October 21, 2019 for LA SAFE records  
O.L.A. File No. 065812

Dear Mr. Martinez:

An initial response was forwarded to you via email on October 22, 2019. Through your public records request, you requested:

For the last five years (January 1, 2014 to the present) for all funds administered by Louisiana State Analytical and Fusion Exchange I am looking for any records:

- Communication between the Louisiana State Analytical and Fusion Exchange office and officials at either East Baton Rouge Sheriff's Office, Louisiana Department of Public Safety & Corrections, and Louisiana State Police in applying for any grants.
- The final grant applications as submitted by either of the three offices listed above.
- Documents sufficient to show what programming the funds would be allocated for.
- Documents sufficient to show the size of the grants
- Documents sufficient to show if a grant was awarded, rejected and for what reasons (insufficient documentation, etc.)

I have conferred with the Louisiana State Analytical and Fusion Exchange (LA-SAFE) in providing this response. LA-SAFE maintains no records responsive to your request.

If you have any questions, please feel free to contact me at (225) 925-6177 or via email at [adrienne.aucoin@la.gov](mailto:adrienne.aucoin@la.gov).

With kindest professional regards,

  
Adrienne E. Aucoin  
Attorney, Louisiana State Police
